order to comply with current cyber security practices, this site is optimized to work best when accessed via the Internet Explorer browser. Use of another browser may require configuration/setting changes which are the responsibility of the user.

Note: DOD frequently updates root certificates used for enhanced web site security. If you get errors about this site not being trusted, the most likely cause is implementation of new certificates. In order to resolve this issue, public domain (not .mil) computer users, or their respective IT support personnel, to visit the DOD Public Key Infrastructure (PKI) site to download and install most DOD certificates from DOD PKI site.

Once you are on this site, click on the Trust store to choose the latest (most recent) installer to install all the DOD Certificates into the systems trust store. For public computers using a browser other than Internet Explorer, additional configuration steps may be needed. User can use their preferred search engine and search on "DOD PKI " for configuration assistance on their specific browser.

Seminar

The TKO seminar is a session that teaches vendors how to start doing business with Defense Logistics Agency. Vendors learn how to find open solicitations, how to submit a quote through the DLA Internet Bid Board System (DIBBS), the procedures for viewing/downloading drawings, and how to use Invoicing, Receipt, Acceptance and Property Transfer (iRAPT) to get paid. There will also be many other relevant topics of discussion. All sessions are held at DLA Land and Maritime, Columbus, Ohio free of charge. The only cost you incur is lodging, food, and transportation based on individual location.

Webinars

Webinars will be held for numerous topics throughout the year. The webinars are held using Adobe Connect. Registration is necessary to gain access to Webinars.
