

SMALL BUSINESSES ARE THE  OF THE ECONOMY

## "Getting Back 2 Business" 2018 Small Business Outreach Events

The U.S. Department of Health and Human Services ("HHS"), the Office of the Secretary ("OS"), and the Office of Small and Disadvantaged Business Utilization ("OSDBU") is hosting a series of community outreach events. These events will educate small businesses about federal procurement. Discussions and matchmaking sessions are scheduled with HHS and its operating divisions.

### Event objectives include:

- Familiarize small businesses with the processes and procedures associated with federal government contracting
- Gain insight on identifying and pursuing contract opportunities with HHS
- An opportunity for small businesses to meet with government representatives
- Consider HHS spent over \$23 Billion in contracts last year; \$5 billion of them in prime contracts to small businesses
