

# Small Business Webinar

## Focus on Cybersecurity Requirements

Tuesday, September 14, 2021

8:00 to 10:30am (CST) Central Standard Time

9:00am to 11:30am EST (Eastern Standard Time)

**Great Lakes Dredge & Dock Company, LLC**

**Wisconsin Procurement Institute (WPI)**

### Webinar highlights:

- Norma Alberts will provide a presentation overviewing GLDD's potential needs on projects and SBA informational resources.
- GLDD's specific project needs: tugboat & towing services, endangered species observers, diesel fuel (#2 low sulfur-marine diesel), safety products, rental equipment, welding machining, rental apartments and marine hardware and supply.
- **Special Guest Speaker: Marc Violante** with the Wisconsin Procurement Institute (WPI).  
Marc's presentation will be on an overview of **Current Cybersecurity requirements and how they relate to the CMMC program**.
- Question and answer period.

**Marc N. Violante, Director, Federal Market Strategies, [marcv@wispro.org](mailto:marcv@wispro.org)**
