ENTREPRENEURS

SMALL BUSINESS GROWTH

BUSINESS EXPANSION

WI SBA - Empowering Small Business Roundtable Discussion

The WI Small Business Administration and other resource partners will highlight benefits their organization provides to entrepreneurs and small businesses. Discover valuable programs, helpful services, and various funding options to help start, grow, and expand your business. Space is limited to only 25 people in this session, so register today for this FREE event!

What is a speed networking event?

The event begins promptly at 1:00 pm with attendees at tables. Representatives from numerous state resource organizations will be seated at their individual tables, eager to provide a three-minute overview of their organization's services, programs, and funding options to help start, grow, or expand business. Attendees also can connect with their local community navigator for more in-depth and individualized help. Conversations will start at the sound of a bell. Every three minutes the bell will sound signaling attendees to move to a new table and meet a new resource. The process will continue until attendees have visited all tables. This afternoon session is limited to 25 people, so register today for this FREE event!
