

## From the 8<sup>th</sup> Annual Small Business Conference at Volk Field (left to right)

### Small Business Olympics

- **1st place: Keith Plaster - Panacea Group** <http://pan-gro.com/>

As a General Contracting Company, Panacea Group is filling the need for Contracting Officers awarding projects to a capable, certified Service-disabled, veteran-owned small business (SDVOSB) & HUBzone small business. They believe in building their client's vision in a clean and professional manner while consistently providing world class customer service.

- **2nd place: Dan Massopust - USA Sculptures** - [www.usasculptures.com](http://www.usasculptures.com)

Dan Massopust has spent 35 years studying sculpture and anatomy. During that time Dan has created both realistic and whimsical sculptures. The last 20 years he studied the written and sculptured works of Edouard Lanteri who taught sculpture in the late 1800's. Dan uses the Lanteri method when creating realistic sculptures spending hours on each sculpture analyzing tension energy in muscle groups to produce lifelike poses. He sculpts realistic animals, fish, amphibians, trees/vegetation and human figures.

- **3rd place: Ceres Berwanger - CT Laboratories** <http://ctlaboratories.com/>

CT Laboratories LLC is a full service environmental laboratory located in Baraboo, Wisconsin. CT Laboratories has been providing analytical support to a wide range of projects nationwide since 1987. CT Laboratories is classified as an economically disadvantaged - woman owned, small business under NAICS code 541380, testing laboratories.
