

MANUFACTURING FOR THE MILITARY

AN INTRODUCTION FOR SMALL BUSINESS

Hosted by Tri-County Regional Economic Development Corporation
TREDC is an equal opportunity provider

- Agencies and agency prime contractors DO purchase millions of dollars of parts, components and assemblies to support a wide variety of requirements from fasteners to assemblies
- This workshop is specifically designed as an introduction for manufacturing firms who are either considering or entering the Federal market. Attendees will learn how to evaluate their readiness as a subcontractor or a prime contractor, as well as how to locate and qualify for opportunities
- Tri County Regional Economic Development Corporation will explore the formation of a working group of manufactures to expand their markets and sales.

October 15th - 8:30 am to 12:30 pm

Registration starts at 8:00am
