

A Procurement Technical
Assistance Center (PTAC)

Acquisition Hour –
Market Research –
Using the Federal Procurement Data Systems (FPDS)
March 1, 2017

Webinar Etiquette

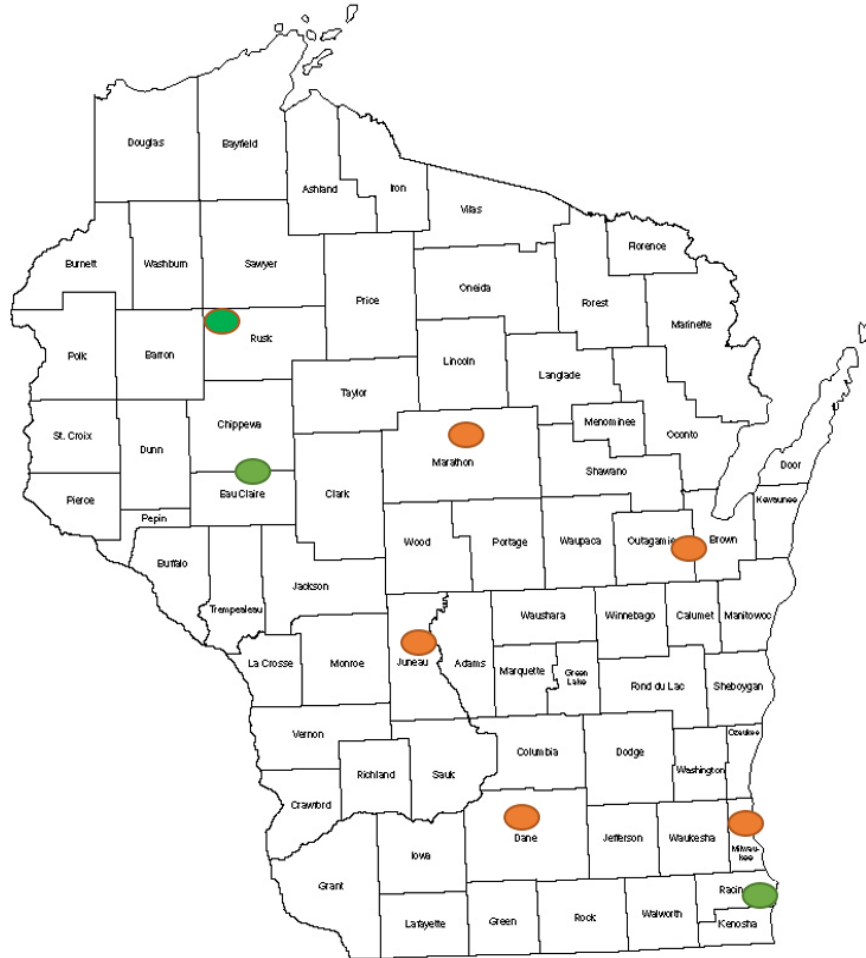

- Please
 - When logging into go-to-meeting, enter the name that you have registered with
 - Put your phone or computer on mute
 - Use the Chat option to ask your question(s): We will read them and our guest speaker will provide an answer to the group
- Thank you!

ABOUT WPI

Supporting the Mission

Assist businesses in creating,
development and growing their sales,
revenue and jobs through Federal, state
and local government contracts.

LOCATIONS:

- **Primary office – Milwaukee** - Technology Innovation Center
- **Staffed Satellite offices**
 - Madison** (FEED – Food Enterprise & Economic Development / MEC – Madison Enterprise Center)
 - Camp Douglas** (Juneau County Economic Development Corporation)
 - Wausau** (Wausau Region Chamber of Commerce)
 - Appleton** (Fox Valley Technical College)
- **Active Partnerships**
 - Racine** – LaunchBox
 - Eau Claire** - Western Dairyland
 - Ladysmith** – Indianhead Community Action

[CURRENT OPPORTUNITIES](#)

Current Opportunities [View All](#)

1. [SBA Seeks Funding Proposals from Non-Profits and Local Institutions to Provide Entrepreneurship Training for Service Members, Military Spouses and Veterans - January 18, 2017](#)

WASHINGTON – The U.S. Small Business Administration (SBA) is inviting funding proposals from non-profit organizations, state, local and tribal government agencies, and institutions of higher learning to provide “Boots to Business” entrepreneurship training to service members, military spouses, and veterans.

2. [Chicago Secures \\$1 Billion in Federal Grant Funding for Rail Upgrades - January 10, 2017](#)

Chicago’s Transit Authority will receive nearly \$1.1 billion in federal grant funding to help pay for upgrades meant to expand rail capacity on the north side of the city, officials said Monday.

The money will go toward roughly \$2.1 billion of planned work on the city’s Red and Purple “L” lines. This will include improvements to track, stations, power and signal systems, and the purchase of 32 new railcars, according to the Federal Transit Administration.

3. [Secure That Smart Toaster and Win \\$3,000- January 4, 2017](#) The Federal Trade Commission is offering up to \$25,000 in prize money for applications or tools that help people protect their smart home devices from hackers, according to a Federal Register notice.

The competition, which will announce winners in July, comes as the internet is creeping into more and more household devices ranging from baby monitors to toasters.

These internet-of-things devices are often less secure than traditional internet-connected devices such as laptops and smartphones. It’s also often more difficult to update the software in these devices to patch vulnerabilities, making

Using FPDS for Market Research

Marc N. Violante

WPI Webinar

March 1, 2017

Current Janitorial opportunity

- Plover, WI
- Solicitation – 72 pages
- ~ 3,000 ft
- Cleaning to SOW 2x/week
- Carpets 2 x / year
- Employess – badged
- Labor rate – federal equivalent
 - Employee Class Monetary Wage-Fringe Benefits Total
 - **Janitor (GS-2) \$10.95 \$6.02 \$16.97**

The Goal – more specifically

- How to identify opportunities.
- How to identify, quantify and select buying offices (commands)
- How to research –
 - Competitors
 - Partners
 - Possible MP partners
- How to identify major purchasing cycles – September maybe but not always
- Does getting on schedule make sense?

Today's objectives

- Understand the three ways to query the FPDS system
 - ezSearch
 - Standard reports
 - Adhoc queries
- How to access contract specific data
- How to develop an adhoc query
- Using filters
 - Basic
 - advanced

Common Sources of federal Information

- www.fbo.gov >\$25,000;
- < \$25,000 more difficult to identify
- Agency forecasts see link at bottom of www.fbo.gov
- Schedule Sales Query – FSS GSA Schedules ssq.gsa.gov
- VA Schedule Sales – FSS VA Schedule
 - www.va.gov/oal/business/fss/schedulesales.asp
- Data.gov – The home of the government’s open data
 - > 177,927 datasets
- Census.gov – eg. <https://www.export.gov/Trade-Data-and-Analysis>

How does FPDS differ from USAspending?

- FPDS provides data once a month to USAspending
- USAspending provides information on –
 - Contracts
 - Loans
 - Grants
 - Subcontracts
- USAspending used to have a better User interface
- FPDS adhoc query lets the user access every data element and create filters

What is FPDS

- Database of Federal Contract awards (> \$3,000.00) *
- *Unclassified, other restrictions, -- will often include awards <\$3,000.00
- Information categories
 - Metrics – things that are measured
 - Examples
 - Action Obligation
 - Actions
 - Number of Records
 - Attributes – characteristics of Metrics (approximately 300 data elements)
 - Examples (general)
 - Who purchased – agency, department, contracting office
 - What was purchased – NAICS/PSC/Description of Requirement
 - Size of business – Large or Small

FPDS data

- DoD data
 - 90 days delayed for non-government users
- Non-DoD data
 - Effectively live
- Data is subject to adjustments
 - Contract modifications
 - Deobligations – items negative/red
- PIID should be unique – contract number – procurement identifier
 - 20 year lifetime
- Standard format Some organizations seem to do a better job than others

Three ways to engage FPDS

- ✓ ezSearch – described as Google-like on home page
 - Returns set elements, a good starting point
- ✓ Standard reports
 - Who
 - What
 - Where
 - When
 - How
- ✓ Adhoc reports
 - Create a specific report using
 - Metrics, attributes and time

FPDS – general features

- Select query tool –
 - ezSearch
 - Basic
 - Advanced
- Edit (update) filter criteria
- Run report
- Share/save data
 - Send via email
 - Export
- Data formats – pdf, Excel, CVS, HTML
- Save search criteria, FPDS search

FPDS - Limitations

- Maximum, five years of results
- Or
- 30,000 results
- Data presentation / format
- As is from FPDS the data is difficult to use or make sense of
- Limited formatting capability

FPDS Table features

- Available with
 - Standard reports
 - Adhoc reports
- Select a cell by clicking
- Select Drill tab if available
 - Allows to select different criteria
- Filter
 - Restrict presentation to only those actions with the selected criteria

FPDS – math considerations

- Criteria – 1
 - NAICS
 - Action Obligation
 - 1,204 NAICS codes – report completes
- Criteria – 2
 - NAICS
 - Action Obligation
 - Date signed
 - 1,204 NAICS for each day (365 days)
 - Number of records = $1,204 * 365 === 439.460$ – will not display

Research Prime awards

Jacobs Engineering Group Inc., Fort Worth, Texas, was awarded a \$9,000,000 firm-fixed-price, indefinite-delivery/indefinite-quantity contract for architect/engineering services primarily for the design of Air Force Reserve and military projects within the Great Lakes and Ohio River Division, Army Corps of Engineers. Bids were solicited via the Internet with one received. The estimated completion date is July 11, 2021. Funding and work location will be determined with each order. Army Corps of Engineers, Louisville, Kentucky, is the contracting activity (W912QR-16-D-0023).

NIA Expiration Date Extended to 2017

1. National Interest Action value 'Operation Freedom's Sentinel (OFS)' expiration date has been extended from 12/31/2015 to 12/31/2017 on the FPDS-NG Production System. National Interest Action value 'Operation Freedom's Sentinel (OFS)' is valid from 01/01/2015 to 12/31/2017.
2. National Interest Action value 'Operations in Iraq and Syria' expiration date has been extended from 09/30/2015 to 09/30/2017 on the FPDS-NG Production System. National Interest Action value 'Operations in Iraq and Syria' is valid from 09/14/2015 to 09/30/2017.

Recipient-Reported Recovery Data Now Available at FPDS-NG

Recipient-reported data that was previously provided at recovery.gov is now available under Top Requests. There are two files containing recipient data available:

- 1) **Recovery Data (Recipient-Reported, Cumulative Summary)** – A cumulative national summary file, containing data from FY2009 thru 2013 (77 MB, only recommended for high-speed internet connections).
- 2) **Recovery Data (Recipient-Reported, FY2013Q4)** – A file for just the last reported quarter (4th quarter of FY2013).

This information augments the recovery information contained in the FPDS-NG Recovery Report (TAS Report), which provides recovery-related procurement award information as reported by Federal agencies.

For more information on the American Recovery and Reinvestment Act and recipient-based data please visit recovery.gov.

FY 2014 Small Business Goaling Report

FY 2014 Small Business Goaling Report is now available on the 'Reports' page of FPDS-NG.

Research Prime awards

Jacobs Engineering Group Inc., Fort Worth, Texas, was awarded a \$9,000,000 firm-fixed-price, indefinite-delivery/indefinite-quantity contract for architect/engineering services primarily for the design of Air Force Reserve and military projects within the Great Lakes and Ohio River Division, Army Corps of Engineers. Bids were solicited via the Internet with one received. The estimated completion date is July 11, 2021. Funding and work location will be determined with each order. Army Corps of Engineers, Louisville, Kentucky, is the contracting activity (W912QR-16-D-0023).

What types of products and services the government has been buying?

Name	Description
  Contract Detail Report	This report provides the complete contractual data for the specified PIID.
  Federal Contract Actions and Dollars	This report displays the federal contract actions and dollars for the specified date signed range
  Inherently Governmental Functions Actions and Dollars	This report displays the actions and dollars for 'Closely Associated', 'Critical Functions', 'Other Functions' and 'Null Inherently Governmental Functions' when 'Service' is selected for PSC.
  Other Transaction Actions and Dollars Report	This report displays the Other Transaction actions and dollars for the specified date signed range.
  Procurement History for Market Research Report	This report provides total dollars awarded to all vendors for a Product and Service Code (PSC) given in the search criteria. The dollars are aggregated by the unique entry reported in the Description of Requirements field.
  Total Actions by NAICS Report	The report displays actions and dollars for North American Industry Classification System (NAICS) Categories and how many of them are acquired by Commercial Item procedures at the Federal Government level.
  Total Actions by PSC Report	The report displays actions and dollars for Product or Service Code (PSC) Categories and how many of them are acquired by Commercial Item procedures at the Federal Government level.
  Trade Agreements Report	This report displays the number of unique PIIDs and the cumulative dollars obligated for the contracts covered by the NAFTA and GPA trade agreements.

Standard report - What

The screenshot displays a web application interface with a blue header. The header includes a 'HOME' button, a search bar with 'ezSearch' and 'Advanced Search' options, and a navigation menu with icons for Favorites, Who, What, Where, When, How, Adhoc Reports, Help, and Submit Comments. The main content area shows a 'Contract Detail Report' form. The form has a title bar 'Need Help Using This Report ? Click here' and a subtitle 'Contract Detail Report'. Below the subtitle, it says 'Please enter the criteria for the report:'. There are two input fields: 'Search Name: *' with the value 'Default' and 'PIID: *' with the value 'W912QR16D0023'. At the bottom of the form are four buttons: 'Execute', 'Save', 'Clear', and 'Cancel'. A blue arrow points from a text box on the left to the 'PIID' field.

Filter options – basic – Step 3

Attribute + Filter + Value

The screenshot displays a software interface for managing filters. At the top, there are tabs for 'Time', 'Filters', 'Filter Identifier', and 'Rankings'. Below the tabs, the 'Add Filters' section provides instructions: 'Use the tools below to create, edit and manage filters on the report.' The 'Report Filters' section shows existing filters. The 'Attribute Filters' section includes a checkbox for 'Enable progressive filtering' and options for filtering by 'Date Signed only show values' and 'Last Modified Date only show values'. The 'Metric Filters' section indicates 'None currently added, use the Add Filter button to add a new metric filter.' The 'Add Filter' section allows creating an attribute filter by selecting an attribute (currently 'NAICS Code') and an operator. A dropdown menu is open, showing the following options: 'show only', 'exclude', 'only show values similar to', 'only show values not similar to', 'only show values equal to', 'only show values not equal to', 'only show values between', 'only show values greater than', 'only show values greater than or equal to', 'only show values less than', 'only show values less than or equal to', 'only show values that are null', and 'only show values that are not null'. A red arrow points from the text 'Attribute + Filter + Value' to the dropdown menu. A tooltip 'Please select an operator.' is visible over the dropdown. The 'Add' button is located to the right of the dropdown.

What else is purchased

The screenshot displays a three-step configuration process for a report:

- 1 Select metrics:** Includes 'Action Obligation' and 'Base and All Options Value'. A 'Prompt values' checkbox is present.
- 2 Select attributes:** Includes 'Contracting Agency Name', 'Contracting Office Name', 'PIID', 'Date Signed', and 'Completion Date'. A 'Prompt values' checkbox is present.
- 3 Select time, filters and rankings:** Shows 'Time' as 'all available' and '3 filter(s)'. Below this are tabs for 'Time', 'Filters', 'Filter Identifier', and 'Rankings'.

The 'Add Filter' modal window is open, showing the following configuration:

- Header:** 'Add Filter: In this section add a new filter to this report.'
- Filter Type:** 'Attribute Filter | Metric Filter' (Metric Filter is selected).
- Instruction:** 'Create attribute filter by selecting an attribute, the filter condition and attribute values.'
- Configuration:**
 - For: **Contracting Office ID** (dropdown)
 - Condition: **only show values equal to** (dropdown)
 - Value: **W912QR** (text input)
 - Buttons: **Add**, **Select other attributes...**, **Select attribute values...**, **Select global variable as value...**
- Options:**
 - Prompt this filter before running.
 - Restrict removal of this filter from report.
