A Certified Federal Contracts Manager (CFCM) certification validates your education, training, experience, and knowledge of the *Federal Acquisition Regulation*. The CFCM certification is awarded to candidates who meet rigorous standards, including experience, education, training, and knowledge. They are professional designations of distinction, and carry the respect of their peers in the profession. The NCMA professional certification program is designed to elevate professional standards, enhance individual performance, and distinguish those who demonstrate knowledge essential to the practice of contract management
