

Export Education Coming Straight to Your Computer

Global Goes Local Webinar Series

Coming Live to You!

The International Trade Community in Wisconsin is reaching out to all interested current and aspiring exporters all over the state! Our goal is to get the local experts to you.

FREE Webinar Export Compliance, Controls & Best Practices

Topic: Export Compliance and Control Issues with Ronald Orzel

Ronald retired as a Special Agent-in-Charge after 28 years with the U.S. Department of Commerce Bureau of Industry and Security (BIS) Office of Export Enforcement (OEE).

Currently, Mr. Orzel works as a National Security Advisor for the Computer Science Corporation, and is the Primary Export Control Specialist at the Center for Strategic Studies, Global Security Sciences Division, Argonne National Laboratory. In these positions he provides guidance and training on export control and nonproliferation policy issues on behalf of the Department of Defense and the Department of Energy.

Ronald possesses a B.A. degree in Political Science and History from Loyola University, Chicago.

Topic: Key exporting tips from freight forwarder Kathy Parins

With over 25 years of experience in global transportation and logistics, Kathy is a subject matter expert in working directly with companies on import/export logistics, 3PL and trade compliance.

Currently, she is a sales executive for the state of Wisconsin with Hancock International, an international freight forwarder/NVOCC excelling at worldwide transportation management through educated professionals, extensive personalized IT solutions and commitment to success.

Kathy is a graduate of the University of Wisconsin-Madison, with a Bachelor of Arts degree in International Relations.

Upcoming webinars on trade finance & international standards in June & July

In June, join us to discuss export and trade financing with Ex-Im Bank, SBA and COFACE.

In July, learn more about navigating the complex world of international standards, key players, conformity assessment and the resources available to SMEs.

Connecting you to global markets.
