### About the Green Bay Facilities:

The Department of Veterans Affairs started a new chapter of healthcare in the Green Bay area August 19, 2013 with the opening of the new and vastly improved Milo C. Huempfer Outpatient Clinic. The two-story Green Bay clinic has 161,525 square feet, 1,200 parking spaces and more than 300 healthcare providers. To put that in perspective, the previous Green Bay Clinic was only 7,000 square feet and served 3,500 veterans.

### About the facility in Iron Mountain:

The Oscar G. Johnson VA Medical Center (OGJVAMC) is located at Iron Mountain, MI, in Michigan's Upper Peninsula. The facility oversees six community Outpatient Clinics (OPCs) located in Ironwood, Hancock, Marquette, Sault Ste. Marie (Kincheloe), Menominee, MI, and Rhineland, WI.
