

# 5<sup>TH</sup> ANNUAL DEPARTMENT OF VETERANS AFFAIRS BUSINESS CONFERENCE

## WHEN AND WHERE:

MAY 10<sup>TH</sup>, 2017 MILWAUKEE, WI  
TRAFFIC AND PARKING CONTROL TECHNOLOGIES (TAPCO, INC.)  
5100 W. BROWN DEER RD., MILWAUKEE, WI 53223

## ABOUT THE CONFERENCE:

This conference will focus on procurement procedures and business opportunities with the VISN 12 area consisting of Milwaukee, Madison, Tomah, Chicago, Danville, IL and Iron Mountain, MI.

*The U.S. Department of Veterans Affairs spends over \$22.5 billion annually. The mission of the VA is to fulfill President Lincoln's promise "To care for him who shall have borne the battle, and for his widow, and his orphan" by serving and honoring the men and women who are America's veterans."*

The Veterans Integrated Services Network (The Great Lakes Health Care System), VISN 12, with its eight medical centers, 38 outpatient clinics, eight nursing homes, and six domiciliaries, provides health care services to the 700,000 Veterans who reside within its four-state (Illinois, Michigan's Upper Peninsula, Wisconsin, and Northwest Indiana) area. Additionally, VISN 12 supports 14 Readjustment Counseling Centers. In FY 2016, VISN 12 employed 16,732 people. They care for more than 360,000 Veterans that account for nearly 38,000 admissions and four million outpatient visits per year. Facilities in VISN 12 operate 904 medical, surgical, and psychiatric hospital beds, as well as 1,009 community living center beds and 510 domiciliary beds. Varying in size and complexity, VISN 12 facilities play a fundamental role in training thousands of physicians and allied health care personnel each year.
