

# **DOD CONTRACTOR BUSINESS SYSTEM REQUIREMENTS CRITICAL TO CONTRACTOR SUCCESS**

MAY 17, 2017 – 7:30AM REGISTRATION  
PROGRAM 8:00AM – 4:00PM  
CROWNE PLAZA - WAUWATOSA (MILWAUKEE), WI

This is an awesome opportunity to learn about DoD Contractor Business Systems from Government and Industry functional specialists in their respective areas.

The Department of Defense (DoD) requires contractors to maintain certain Business Systems based on contract complexity or dollar value. The ability to develop and maintain compliant practices will affect a contractor's eligibility for certain contract awards, contract financing, and use of Government property. DoD subcontractors need to be aware of the business systems as the requirements may be flowed down to their subcontracts. For prospective contractors, the business system information will offer valuable insight into what DoD values as good business practices.

In this training event, we will address key business systems such as:

- *Purchasing Systems*
- *Accounting Systems*
- *Estimating System*
- *Government Property Management Systems*
- *Quality Control – Quality System Audit*
- *Novation and Change-of-Name Agreements*

Speakers Include:

- *Jessica Price, Senior Auditor, Defense Contract Accounting Agency (DCAA)*
- *Deric Delp, Rhonda Dean, and Randy Ali, Defense Contract Accounting Agency (DCAA)*
- *John C. Foley – CPSR Program Price/Cost Analyst DCMA Cost and Pricing Center – Contractor Purchasing System Group*
- *Duke P. Montgomery – Property System Program Supervisor | AQBYG (Property) Business Operations Center Arlington Hts., IL*
- *Chong Yim, Technical Group Lead, DCMA Milwaukee*
- *Jason Rath sack – Administrative Contracting Officer Chief, Contracts Team MCWAA, DCMA Milwaukee*
