In order to comply with current cyber security practices, this site is optimized to work best when accessed via the Internet Explorer browser. Use of another browser may require configuration/setting changes which are the responsibility of the user.

Note: DOD frequently updates root certificates used for enhanced web site security. If you get errors about this site not being trusted, the most likely cause is implementation of new certificates. In order to resolve this issue, public domain (not .mil) computer users, or their respective IT support personnel, to visit the DOD Public Key Infrastructure (PKI) site to download and install the latest DOD certificates from [DOD PKI site](#).

Once you are on this site, click on the Trust store tab. Choose the latest (most recent) installer to install all the DOD Certificates into the systems trust store. For public computers using a browser other than Internet Explorer, additional configuration steps may be needed. User can use their preferred search engine and search on "DOD PKI" for configuration assistance on their specific browser.

Updated May 22: June 20-21 PTAC TKO is FULL. All interested parties can still register on the "STANDBY LIST" in the event a seat becomes available. If you register under the "STANDBY LIST" for the TKO, you are not officially on the registration list unless contacted by a DLA representative to confirm. Also, although registration opens 60 days in advance of TKO Seminars, Foreign Nationals must register no LESS than 60 days out. Please contact us at the link at the bottom of your screen to discuss and plan accordingly.

### Registration

The Training, Knowledge, and Opportunities Seminar has the following dates scheduled for 2017:

- June 20-21, 2017 PTAC
- September 11-12, 2017
- November 7-8, 2017

Seminars are held in Columbus, OH.

### Before Registration

- Trouble obtaining a CAGE Code? Contact the Procurement Technical Assistance Center ([PTAC](#))
- Foreign Nationals planning on attending a TKO event must be registered at least 30 days prior to the event start date. At the time of registration, specific forms and guidance will be emailed directly to the registrant, informing them of the steps and procedures they must take to complete the registration process.

- Registered participants for TKO onsite seminars or workshops should plan on arriving 45 minutes to one hour prior to the session start times. This will allow time needed to enter the facility through DLA security.
- Provided is a sample agenda of the TKO Seminar. Topics and times are subject to change. View [Agenda](#)

### Seminar

The TKO seminar is a session that teaches vendors how to start doing business with Defense Logistics Agency. Vendors learn how to find open solicitations, how to submit a quote through the DLA Internet Bid Board System (DIBBS), the procedures for viewing/downloading drawings, and how to use Invoicing, Receipt, Acceptance and Property Transfer (RAPT) to get paid. There will also be many other relevant topics of discussion. All sessions are held at DLA Land and Maritime, Columbus, Ohio free of charge. The only cost you incur is lodging, food, and transportation based on individual location.

### Webinars

Webinars will be held for numerous topics throughout the year. The webinars are held using Adobe Connect. Registration is necessary to gain access to Webinars.
