

Northwestern Mutual

Brief Description of Organization:

- Northwestern Mutual has been helping families and businesses achieve financial security for 161 years. Through a distinctive, whole-picture planning approach including both insurance and investments, we empower people to spend life living. We combine the expertise of our financial professionals with a personalized digital experience and leading-edge technology to best serve our clients.
- With \$265.0 billion in assets, \$28.1 billion in revenues, and more than \$1.8 trillion worth of life insurance protection in force, Northwestern Mutual delivers financial security to more than 4.5 million people who rely on us for life, disability income and long-term care insurance, annuities, brokerage and advisory services, trust services, and discretionary portfolio management solutions. The company holds more than \$125 billion of client assets as a part of its wealth management company and investment services.
