

Presented by

WI-CLANS HWCC-FACC project funded in part by Wells Fargo Diverse Community Capital.

Business Financing, Planning and Developing New Market Opportunities

As a new or established growing small business, you face many challenges. For your business to succeed, you need to develop and use a toolbox of resources. These sessions will connect you to business development resources from your area and the State of Wisconsin that could fuel your business growth strategy.

This workshop covers:

- Access to Capital
- Certifications
- Doing Business with the Government
- Growth
- Resources for Small Business
- Succession planning and Acquisition
- Social Media
