Small Business Academy & USDOT Credit Tune-up

Milwaukee, WI

Small Business Academy and USDOT Small Business Transportation Resource Center Great Lakes present a free **half-day training academy for new businesses and entrepreneurs.**

This day will provide participants with practical advice from experts on topics covering small business lending, free business assistance resources, and ways to plan, start and grow a profitable business.

Credit Tune-Up:

Many small businesses in the transportation industry face difficulty not only accessing sufficient bonding and financing in order to grow, but also access to capital and debt financing. The USDOT's Summer Initiative for Access to Capital is to provide financial resources and assistance to transportation-related small businesses and clients who are unable to access traditional capital.
