

WHAT IS GOING ON IN DC FROM A PROCUREMENT PERSPECTIVE

JULY 30, 2019

ABOUT ME

- Currently:
 - Director of Product @ Hangar Management
 - Principal, Zvenyach LLC
- Formerly:
 - Assistant Commissioner, Office of Systems Management, Federal Acquisition Service, US General Services Administration
 - Executive Director, I8F
 - General Counsel, Council of the District of Columbia
- Live in Fitchburg, WI

BOTTOM LINE UP FRONT

- Government adoption of better technology practices continues to dominate the conversation around acquisition.
- Nonpartisan consensus around “streamlining”; not as much consensus around what that should entail.
- Some marginal changes around procurement practices, but watch this channel. Has potential for more.

WHAT'S HAPPENING: THE LIST (PART ONE)

- Section 809 Panel
- 21st Century IDEA Act
- Technology Modernization Fund
- Section 846 Implementation
- (beta.)SAM.gov
