

Daryl Zahn is the Senior Manager of Contracts and Compliance for DRS Naval Power Systems, Inc.; managing a team of Contract Administrators and support personnel for pre and post-award contract activities for the Milwaukee, WI facility.

Daryl received his undergraduate degree in Business Administration from the University of Wisconsin – Whitewater. Daryl has earned a Master's Certificate in Government Contracting from the George Washington University School of Business, and certification as a Certified Federal Contract Manager (CFCM) through the National Contract Management Association.

Daryl began his career in the Federal Contracting profession as a member of Astronautics Corporation of America's Milwaukee, WI contracting team. After a decade with Astronautics, Daryl moved to the Eaton Navy Controls Division, which after some Acquisitions and mergers over the years is now DRS Naval Power Systems, Inc. During his career, Daryl has worked to administer Federal Prime Contracts and Sub-contracts to other primes, as well as some commercial and special action contracting.

Daryl has been a member of National Contract Management Association (NCMA) since 2002, and has been an active member of the NCMA-Wisconsin Chapter Board of Directors, holding positions of Secretary, Vice President, President and now Past-President in support of the chapter. Daryl is active with NCMA providing training in Federal Acquisition Regulations as well as other DoD contracting related areas.
