

U.S. Army Contracting Command-Warren

Mr. Joseph Jackson, Chief for the Tactical/Multi-Site Support and Systems Pricing Group, Army Contracting Command - Warren, Detroit Arsenal.

Mr. Joseph Jackson is currently the the Business Operations Branch Chief, Deputy Chief of Contracting Office, Army Core of Engineers, Kansas City, MO in this capacity he is responsible for supporting all the contract efforts to support the Corp of Engineers in the Northwest Missouri region. Additionally he is responsible for the operations of the contracting and accomplishment of the strategic goals. He is on the Senior Enterprise Talent Management program.

Mr. Joseph Jackson Chief for the Tactical/Multi-Site Support and Systems Pricing Group in the Army Contracting Command – Warren (ACC-WRN) at the Detroit Arsenal. In this capacity, he is responsible for Joint Light Tactical Vehicle (JLTV), High Mobility Multipurpose Wheeled Vehicle (HMMWV), Family of Heavy Tactical Vehicles (FHTV), Family of Medium Tactical Vehicles (FMTV), Non Standard Vehicles, Depots and Arsenals which include Construction Projects, Facility Upgrades, Technology Upgrades and Manufacturing Equipment/Tooling as well as a Technical Pricing team for all of ACC-Warren.

ACC-WRN ensures warfighting readiness for the Soldier by providing contracting and acquisition support for ground combat, tactical vehicles, small arms, chemical/biological systems, targetry, watercraft and associated services. It is comprised of more than 600 civilian and military personnel located at six geographic sites. Contracting offices are located in Warren, Michigan, Anniston Army Depot (ANAD), Red River Army Depot (RRAD), Sierra Army Depot (SIAD), Watervliet Arsenal (WVA) and INSCOM, Ft. Belvoir, Va.

Mr. Jackson became the Chief in the MRAP/Force Projection/Armaments/DTA Pricing Group in September 2011. Prior to this assignment he served as the Chief of Pricing for the Deployment Support Division and before that he served in a number of Program Management leadership roles, including Alpha Contracting Leader for Future Combat Systems with the Army and Cruise missile engines and engineering services while employed with Williams International. Pricing Leader for the Future Combat System, Mr. Jackson started his career at TACOM in October 1982 as a Supply Clerk Co-op Student in the Logistics Division. He worked in various pricing positions including work on the AGT 1500 engine and X1100 transmission for the M1 Abrahms Tank until June 1990 with the Army when he received cost estimating job at Cadillac Gage Textron. Mr Jackson also worked as a senior Cost/Price analyst for Parker Abex/Aerospace.

Mr. Jackson is a high performing employee with 24 years of experience with the Army and 12 years in private defense industry experience. He has 31 years of experience in the pricing field and 5 years in program management.

He holds a Bachelor of Science degree in Economics from Oakland University (1984) and a Master of Business Administration degree from Oakland University (1989). He is Level 3 in Contracting and is also a member of the Acquisition Corps. He received the AMC Small Business Program Award in 2001. He resides in White Lake, Michigan and his wife (Hong) and two adult children (Wei and Zane) who are attending college.
