Announcements

The New Design of beta.SAM.gov is Here Mar 26
The wait is over! After much hard work, user feedback and helpful suggestions from stakeholders, the new design of beta.SAM.gov has arrived! GSA's Integrated Award Environment (IAE) unveiled the new look-and-feel of beta.SAM.gov on April 26, 2021, a design offering an enhanced search experience, new landing ...

BETA.SAM MIGRATING TO SAM.GOV

- SAM integration, scheduled for May 24, 2021, will migrate the functionality of SAM.gov into beta.SAM.gov. The term “beta” will be retired, and there will be only one SAM.gov. This change affects all SAM.gov users.
- The System for Award Management (SAM) uses Login.gov for authentication when you log in. To link to the data you already have in SAM, use the same email address for your login.gov account. If you want to change your email address, we recommend you do it **AFTER** you have successfully linked your SAM profile and login.gov account.
- If you do not remember the email address you used for SAM, please contact the [Federal Service Desk](#) for assistance.
- For help with Login.gov accounts you should visit <http://login.gov/help> for information. This includes if you need to reset your password, forgot your email address, or need to manage your login.gov account.
- **NOTE:** Your login.gov user account is unique to you as an individual user. Your account includes your personal contact information and controls roles and permissions that pertain to your job functions as they relate to IAE systems. You should never share your login.gov account credentials with anyone else, including your colleagues, administrator, or even the Help Desk.

What Happens When SAM.gov and beta.SAM.gov Merge?

What will NOT change:

- Searching current beta.SAM.gov domains **will not change**
 - Contract opportunities
 - Wage determinations
 - Assistance listings
 - Federal hierarchy
 - Contract data reports
- Entity registration process and requirements
- Registration data entry pages
- Searching active exclusions

Data will migrate from legacy SAM.gov with **no action needed from entities or users:**

- Registration and exclusions data
- SAM user roles
- Service Contract reporting data
- BioPreferred reporting data

ENTITY REGISTRATION / RENEWAL

Getting Started with Registration

This the official U.S. government website for entity registration. Entity registration is FREE.

[Entity Registration Home](#)

Before You Get Started

Before you start your registration, there are a few steps you must complete first. Review these steps to help ensure you set aside enough time to complete your registration.

1 Request a DUNS Number

All entities wishing to do business with the federal government must have a unique entity identifier (UEI). Currently, the DUNS number, which is a unique nine-character identification number provided by Dun & Bradstreet (D&B) free of charge, is the official UEI. D&B assigns UEI (DUNS) for each physical location of a business. Requesting a UEI (DUNS) takes about 10 minutes. Receiving a UEI (DUNS) takes 1–2 business days (under normal circumstances) when using the D&B web form.

Overview

Registration Overview

SAM Entity Management registrants are required to submit detailed information on their entity in the following categories, depending on the purpose of the registration:

Core Data
Mandatory for all registration types. Includes, but is not limited to, an entity's DUNS and/or DoDAAC, name, address, CAGE or NCAGE, code, TIN or EIN number, general information, financial information, and details about any proceedings in which the entity may currently be involved.

Assertions
Documents self-assertions from each entity. Includes, but is not limited to, data about the types of goods and services the entity provides, the entity size, optional Electronic Data Interchange (EDI), and disaster relief data.

You will see the new header and footer, including the feedback tool, but the registration form is the same.

Entity Workspace

New SAM UEI assigned and displayed; DUNS remains authoritative until **April 2022**

The screenshot displays the Entity Workspace interface with the following elements:

- Navigation:** "Show Workspace For Non-Federal Entities" and "BioPreferred Reporting" tabs.
- Filters:** "Entity", "Registration Status" (Draft, Work in Progress, Submitted, Active, Expired), "Expiration Date", and "Address Update".
- Page Controls:** "page 1 of 9" and "results per page 25".
- Sort:** "Sort by Expiration Date Ascending".
- Entity Entries:** Three entries for "Northeastern Water and Sewer Company, Inc." with DUNS and SAM Unique Entity IDs (B57543293P853) and CAGE/NCAGE (0F203).
- Callouts:** Red dashed boxes highlight the "Status" and "Expiration Date" fields for each entry. A yellow callout box highlights the "Physical Address Update Available" for the second entry.

Status and registration expiration dates show for easy reference

Role Management

How do I request a role?*

- During registration, you are presented with a role request option
- From your Workspace page
- From the roles page of your profile

***Only certain roles can be requested**

The screenshot displays the SAM.gov 'Add A New Role' form. The form is titled 'Add A New Role' and includes the following elements:

- A dropdown menu for role selection, currently showing 'Data Entry'.
- A checkbox labeled 'I verify I have a business need for this role.' which is checked.
- A blue 'Request Role' button.

Below the main form, there is a section titled 'Add A New Role' with the following text: 'Select one of the options below to request a new role. If you need a role that you do not see below, contact a suitable administrator from your agency directly.' This section includes a dropdown menu for role selection and a checkbox for 'I verify I have a business need for this role.' with a 'Request Role' button below it. A red arrow points to this section.
