

What do I need to join a GoToWebinar session?

- a) Laptop, tablet or smartphone
- b) Internet connection (WiFi, wired, or cellular)
- c) Your unique access link - sent by the meeting organizer when you registered

On a computer, GoToWebinar looks like this:

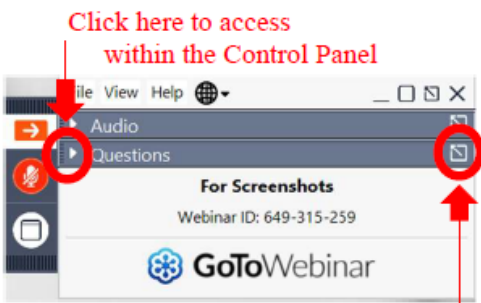

See pg. 2 if you join on a mobile device

GoToWebinar Control Panel

Click here to expand or minimize the panel

In-Session Tools

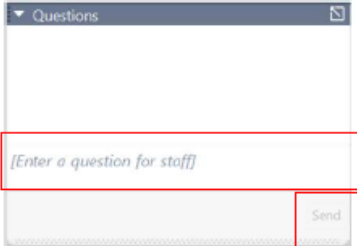

Click here to access within the Control Panel

Click here to undock a specific tool

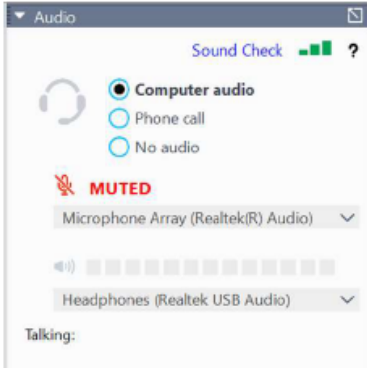

Please Ask Questions!

Type questions here at any time during a presentation

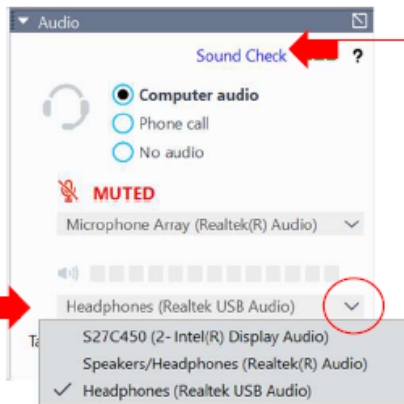

Click Send when ready to submit a question

Audio Issues?

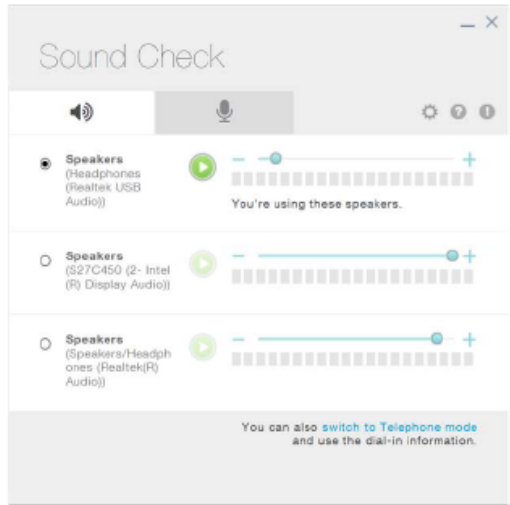

Open the Audio Tool on the Control Panel

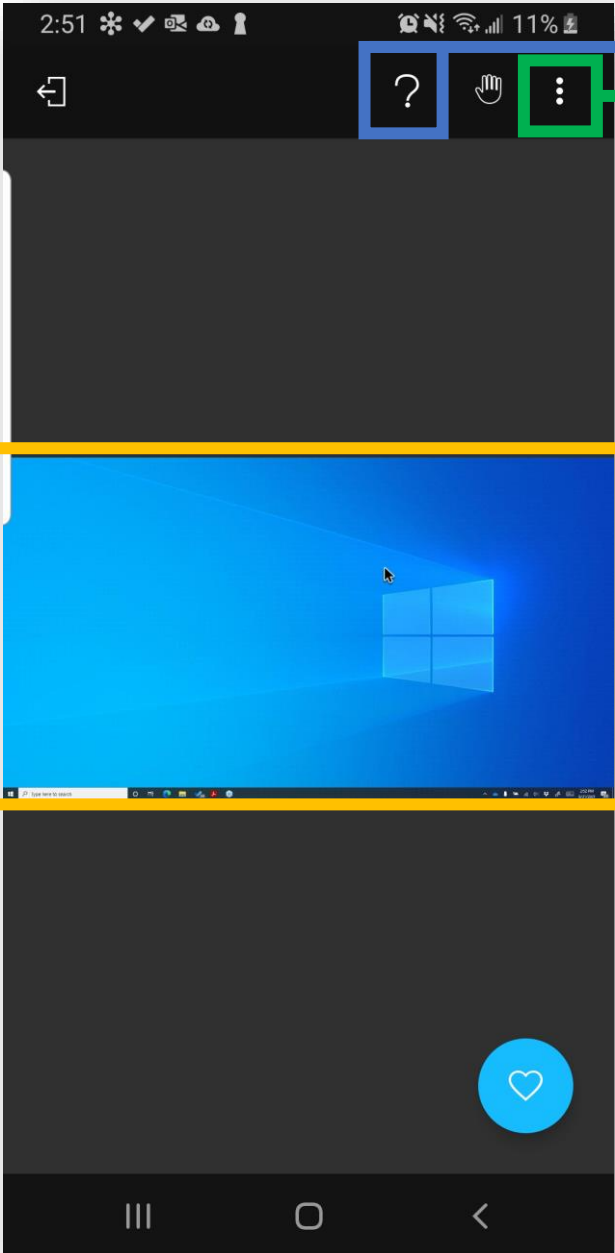

Ensure the correct audio output is selected

Click here to open and use Sound Check

On a mobile device, GoToWebinar looks like this:

Tap here if you have bandwidth issues. You will be connected to the audio by telephone to help improve the session audio quality.

Tap here to ask a question. Questions will be addressed in the time allotted for Q&A.

View the presentation and the presenter's camera here.

Download the app for Android/ Apple in your app store. Join the session using the link provided at registration.

Apple/ iOS Android
