

**Darryl Thomas, State Director  
Illinois APEX Accelerator**

Darryl Thomas is the State Director of the Illinois APEX Accelerator, formerly known as the Illinois Procurement Technical Assistance Center (PTAC). Since 2016 he has been responsible for administering the State of Illinois' cooperative agreement with the Department of Defense (DoD). He oversees the program and fiscal operations of the 9 local Illinois APEX Accelerator offices throughout the state. Mr. Thomas is also a past President of the Association of Procurement Technical Assistance Centers ("APTAC"), which provides professional development and training for the network of 96 APEX Accelerator programs with over 300 offices.
