Clark County Economic Development Corporation & Tourism Bureau (CCEDC&TB) and Clark County Workforce Council are partnering to host the 2025 Clark County Business to Business Expo and Career Fair on Wednesday, April 30, 2025, at Clark Electric Cooperative Headquarters, Greenwood. This event will be a day long fast paced opportunity to introduce businesses to each other, inform them about your business assistance resources (business planning, Youth Apprenticeship, specialty financing, international connections, Lean Manufacturing, etc.) and expose our high school, tech college and university students to the great careers in our County and careers in your field. We want to work with all of you to have data available at the Business Assistance Cluster booths to share with all attending.
