Organization Description

Greenfire Construction (officially Greenfire Management Services, LLC) is a construction management company headquartered in Milwaukee, Wisconsin, with a regional office in Wausau. Wholly owned by Potawatomi Ventures, the investment arm of the Forest County Potawatomi Community, the firm offers a full range of construction services from early planning through project completion. It serves diverse clients, including Native American governments, municipalities, and private developers, and is known for its focus on integrity, community, and innovative solutions.
