Organization Description

U.S. Bank is a major American financial services holding company and the parent of U.S. Bank National Association, the fifth-largest commercial bank in the United States. Headquartered in Minneapolis, MN, it offers a comprehensive range of services including retail, business, wealth management, and commercial banking, supplemented by a significant presence in payment services. The bank serves a wide variety of customers, from individuals and small businesses to large corporations and financial institutions, both domestically and globally, and is known for its blend of human expertise and digital capabilities.

U.S. Bank recognizes a small business as a business that is privately owned and operated, organized for profit and located in the U.S. or contributing to the U.S. economy. The number of employees and annual revenue that qualify a business as small vary by industry and are set by the U.S. Small Business Administration.

Designations include Small Business Enterprise, Small Disadvantaged Business, Historically Underutilized Business Zones, Women-Owned Small Business, Veteran-Owned Small Business and Service-Disabled Veteran-Owned Small Business. To self-attest your business, go to SAM.gov.
