## Organization Description

We are one of the nation's largest electric generation and distribution and natural gas delivery holding companies, with the operational expertise and financial resources to serve the Midwest's energy needs safely, reliably and responsibly.

Our subsidiaries focus on reliable service, customer satisfaction and shareholder value. Together, we provide energy services to 4.7 million customers in Wisconsin, Illinois, Michigan and Minnesota. Our combined assets allow operating efficiencies across 72,400 miles of electric distribution lines, 47,000 miles of natural gas distribution and transmission lines, and 8,150 megawatts of generating capacity.

Our family of companies is committed to delivering world-class reliability and the very best customer care anywhere. Customers are the heart of our business, and we work every day to help grow and support communities where we provide vital energy services. As a Fortune 500 company, we value and develop our employees who are making a difference Principal energy companies.
